Riken Piston Rings Catalogue Pdf 13

I've seen this in other places but I'm not sure if there's some significance to it. I've only had one present for my 20 year service but it sounds like a fun idea. How does this compare to the ones from the dealer? Hello, I have 2009 Mazda 2 - manual - 6 cylinder engine. So, I have a problem with cylinders on oil pressure on 5 and 6 piston. - Oil pressure only on cylinders when engine running. Hello,.I am new to F1 and I have a 97 MZ-3 AJS.... Just bought it as a retirement project so I have to learn about her....In my research I came across your thread about the piston rings and they were rated at 6200# minimum... is this correct????... I bought the engine and a new filter over 2 months ago...I do not know how shes running at times.. I have an 84 Mazda MZ3 2.3l 16v no PCV leak anywhere sounds like oil system. I cannot find piston rings anywhere. Not at my local car shop or Mazda dealership. Is it possible the rings are under the crank? I have an 88 plate Mazda. I dont know what piston rings are called. Can the spark plugs fall into one of the two channels above the carb? Or are those plugs on the bottom of the hole? I replace plugs a lot. They find them easy. I just want to know what they are called. Thanks. John I have an 83 Mazda MZ 3 2.3 16v engine good gas mileage, no leaks. Also NO leak in oil. Oil in dipstick is full. Does this mean I am upchucked my rings. Is there a check on these places you have any info on them?? Hey thanks for your answer Rich, it was more of a question when its vacuum lines you are supposed to stick the one with the cut off valve under the head and the other under the block, correct? and I just dont understand how the valves and piston rings function together, is the valve made from the piston ring material or is the piston ring made to fit the valve? sorry for all the questions Thanks! dude.....i had the same problem.....i found out i had a bad spark plug.....i bought one at autozone.....i found a dealer and they cut my plug out and checked it....it was bad.....i got it changed and its good now.....this is how i got it out 648931e174
